2022 Deer Season Guide

Question: Are you taking whole carcass deer?

Answer: Yes! We will be accepting a limited number of whole carcass deer Monday-Saturday (closed Wednesday) during bow season. We will be taking a limited number of deer for the 9 day Gun Season. Once we are at full capacity for our facility we will be done taking whole carcass deer for 2022.

Question: Are you taking boneless wild game trim (deer, elk, bear, moose, etc.)?

Answer: Yes! We take boneless wild game trim every day of the year during business hours. Please note that it could take 6 months to get your sausage products done. We will call you when your order is complete.

BUSINESS HOURS:

Mon, Tues, Thurs & Fri:

8:00am-5:30pm

Saturdays: 8:00am-1:00pm

CLOSED: Wednesdays & Sundays

Straka Meats would like to thank all of our long time customers and our new customers for all of your business last deer season (2021). With the overwhelming amount of whole deer carcass and boneless wild game trim, we became a little behind schedule. Please know we are thankful for your patience. We take great pride in giving all of our customers back the best quality product they deserve. All of us here at Straka Meats are hopeful to see you all again this fall! Good luck hunting!

Each year Straka Meats processes thousands of whole and trimmed wild game orders. This makes for hundreds of thousands of pounds of wild game sausage orders. We process all orders as efficiently as possible, while continuing to attend to our other year round slaughter and processing of custom beef & hog orders. We operate everyday under State Meat Inspection guidelines. Everyday Straka Meats' staff cleans and sanitizes all equipment to ensure our customers get back great quality products. All of our fully cooked sausage products have cooking and cooling records to make sure products are top tier for all of our customers.

70 years in business

We support the hunting community — They support us.

Procedures:

- 1.)** All wild game must be registered before you place your order
- 2.)** Your order MUST be completed at drop-off. Review your order & sign for it. Once you sign & leave, it is \$20 to change anything on your order.
- 3.)** Price list will be available at drop off. Please review the prices and understand what an estimated cost will be at pick up. Staff can try and give you an estimated price.
- 4.)** All orders are done in the order they come in. If you drop your order off the day before your buddy, it is possible 100 people are between your order and your buddy's order. We will call you when your order is ready.

BOW Season:

~ Each week we will take what we can for whole carcass wild game. Please call 608-546-3301 before coming to drop off to check on our availability

9 Day Gun Season

~ We will take whole carcass deer until our facility is at capacity. We will then be done taking whole carcass deer for the 2022 seasons

Boneless Trim

~ We accept boneless wild game trim all year long. It may take 6 months for your order to be completed, if you order sausage products.

Rules:

- 1.)** Whole carcass deer MUST be field dressed.
- 2.)** Deposit is required for whole carcass and boneless trim orders
- 3.)** All boneless wild game must be in food grade bags or containers at drop off. If it is not, Straka Meats can deny your trim for drop off.
- 4.)** Instructions must be completed in the store for whole carcass and boneless trim orders, you can not call in later to place your order, due to the risk of an order form being lost. You need to review your order and sign the order form.
- 5.)** Signing your order form states that you understand what the cost is and how long it will take for your order to be completed and that you have read & verified your order is written correctly.
- 6.)** Be respectful of our staff, without them you wouldn't be able to place your order or have it processed & show respect to other customers in the store.
